

23rd Annual Koi and Goldfish Show

It's almost Show time members! We are having our **23rd Annual Koi and Goldfish Show** this year in just under 2 months' time! We have again partnered up with the famous Idaho Botanical Garden as the venue and the Bonsai Club to make this year's Show yet another fun and exciting event. It will run from **10:00 am to 4:00 pm Saturday, August 27th 2016** and as always, everyone is invited. In fact, the IBG is foregoing their normal admission charge and inviting the public to visit the majestic Garden during these hours on the day of the event for free! Your Club has been instrumental in helping IBG procure a substantial grant to build a state-of-the-art Koi pond to house a very special collection of Koi that belong to the donors, the Richens' Family. As part of this arrangement and the assistance we are providing to IBG in the form of a pond design, project supervision and labor, and koi health advice, IBG has agreed to host us and our Koi Show for the next 5 years on the last weekend of August! Mark your calendars.

The Show features a special Trade Show with both wet and dry vendors that cater to our hobby selling various merchandise and Koi fish. The Japanese drummers, Kawa Taiko is back and will be performing straight-up at noon in front of the Cottage House in the Garden and the Bonsai Club will have many magnificent Bonsai on display as well as will be teaching a free class on Bonsai! And if you are hungry or thirsty, visit any of our food vendors at the Show site.

Come and help us put on a great Show! Please call to volunteer, if you have not done so already. The Show is our premier event for the year and it is necessary to have everyone's help and participation to make it successful. Here is what everyone needs to do:

- Call to volunteer your time and energy for Show set-up and takedown, assist in our Club Booth Sales, work the Fish Raffle, and generally help with the Show – we have a job for you!
- Call to reserve your Koi and/or Goldfish tank – no advanced photos needed except it would help expedite benching if you filled the Fish Entry Summary below and email it to our Show Chairman at sotchimonas@msn.com or bring it with you to the Show on Friday for benching. Our 2 experts from Colorado that do it all at the Show site on Friday – photograph, bench, and print everything necessary for Judging, will be here again!!
- Call to reserve your seat and food selection at the Banquet (information below). GREAT NEWS! We are again guests of the Crane Creek Country Club and believe or not they moved their HOT AIR BALLOON LAUNCH on the Golf course on our Banquet night so we can enjoy it!!! If you've seen it before then you would want to see it again. And if you've never seen it, well!!!...
- Condition your Koi for the Show – color food now till the end of July and finish with a whitening food such as Hi-Silk. And no feeding during the week prior to the Show
- Come and enjoy!
